

## VSTECS BRINGS NEW GOOGLE PIXEL DEVICES TO MALAYSIA

---

**Kuala Lumpur, Malaysia, 14 August 2024 – VSTECS Berhad (VSTECS, 偉仕佳杰, Stock Code:5162) ("VSTECS" or the "VSTECS Group"),** Malaysia's leading Information & Communications Technology ("ICT") distributor, proudly announces that its wholly-owned subsidiary, VSTECS Astar Sdn Bhd, has been appointed as the sole distributor for the highly anticipated Google Pixel 9 range of smartphones in Malaysia. After eight years of eager anticipation, Google's new Pixel line-up – including the Pixel 9 phones, Pixel Watch 3 and Pixel Buds Pro 2 – is debuting in the Malaysian market today.

VSTECS has a proven history of partnering with global technology leaders, and this latest collaboration with Google is a testament to their continued excellence. The appointment of VSTECS as the sole distributor in Malaysia marks a significant milestone in the company's mission to bring cutting-edge technology to consumers. This highlights VSTECS's commitment to delivering innovative solutions that meet the evolving needs of Malaysian consumers.

Chief Executive Officer of VSTECS Berhad, **Mr. JH Soong**, expressed his excitement about the launch: "As a leader in bringing the latest technology to consumers, VSTECS is proud to bring the AI-powered Google Pixel devices to all Malaysians. The new Pixel 9 phones, engineered with Google Gemini AI capabilities, promise to redefine the smartphone experience with their advanced features and seamless user experience. We are honoured to collaborate with Google to bring these innovative products to the Malaysian market. From the superior camera performance to helpful productivity features, the Pixel 9 series sets a new standard for smartphones."

Sharing his excitement about launching Pixel in Malaysia, **Mike Abary**, Vice President, Devices & Services Business APAC, Google said, “We are deeply committed to Malaysia and today marks the next phase of our journey. With the launch of the new Google Pixel portfolio, Malaysians now have access to all of the uniquely AI-powered helpful experiences that Google offers. We’re honoured to partner with VSTECS to provide Malaysians more choices and the premium Android experience with Pixel.”

The new Google Pixel line-up, including Pixel 9 smartphones, Pixel Watch 3 and Pixel Buds Pro 2, will be available nationwide through major telcos such as CelcomDigi and Maxis and leading retailers, Senheng and Urban Republic. Additionally, it will be accessible via popular online platforms Lazada’s and Shopee’s Google Pixel Store, ensuring that Malaysians can access and enjoy the innovative Pixel features through a comprehensive distribution network.
